THE LIBRARY

REPORT FOR THE YEAR

FROM MARCH 1, 1908, TO FEBRUARY 28, 1909

The Library records show a total of 26,157 books registered since the organization of the Library, 1444 volumes having been added during the past year. The number accessioned and in use on Feb. 28, 1909, was approximately 23,389. A considerable number of books in addition were on hand, but not accessioned at that date. Volumes which the Committee consider of no further value to the Library are annually discarded. Of the new accessions 180 were received by gift, and 1224 by purchase at a cost of \$2804.33. The remaining 40 volumes added consist of current periodicals bound by the Club at a cost of \$88.05. The original cost of the periodicals is included in last year's expense account.

The growth of the Library during the past twenty years is shown by the following summary:

Total for 20 years, 12,750 1,959 4,934 19,643 \$36,296.52

The last column of the foregoing table includes, besides the cost of the additions for the year, an outlay of \$253.80 for binding and rebinding.

One hundred and fifty-five pamphlets were added to the Library during the year.

The total running expenses of the Library, exclusive of salaries, were \$4498.04, the outlay other than for books and binding amounting to \$1439.91. Included in the latter sum is the item of \$949.40 for subscriptions to 175 periodicals, and 19 out-of-town newspapers, for 1909.

The cataloguing has been brought up to date. The cards printed and issued by the Library of Congress are used so far as possible.

The Library has on hand, either in bound volumes or filed for reference, over 150 sets of periodicals, though not all of them are complete. The rule now adopted is to retain for binding or filing all that are indexed in Poole's and Wilson's indexes, accepting, so far as it goes, the judgment of the index-makers on the question of permanent values. In general the intention is, because of their

bulk, to keep these indexed sets of periodicals in the Store Room, which is above the Writing Room and was formerly used as a Card Room. The indexes are all kept together in the West Room. The College memorabilia has also been removed to the Store Room. Attention is called to the special indexes to the New York Tribune, 1876-1906; to Notes and Queries, 1849-1904 (complete set); to *Revue des Deux Mondes*, 1874-1901. The Library has the Tribune, 1861 to date; Notes and Queries, 1849 to date (complete set); *Revue des Deux Mondes*, 1874 to date.

About 32 unindexed periodicals are also permanently retained. All other periodicals coming into the Club are kept on file not less than one year, but at the end of each year, those of the year preceding the last are discarded and disposed of.

In the Periodical Room flat shelving for the periodicals has been substituted for the upright cases, which in several ways were objectionable. Hereafter every monthly, quarterly, or college periodical, for one year back and including the current number, will have one fixed location, the current number being merely on top of the pile.

The New York newspapers are held for reference for six months back from the current date, and a duplicate file, running five weeks back, is kept for clipping purposes. The file of the London Times, unbound, dates from 1899. The following out-of-town newspapers are also subscribed for:

Atlanta Constitution
Baltimore Sun
Boston Transcript
Chicago Tribune
Detroit Free Press
Hartford Courant
Indianapolis News

Louisville Courier-Journal
New Haven Journal-Courier
New Haven Register
New Orleans Picayune
Philadelphia Press
Portland Oregonian

It is believed that habitual users of the Library prefer, so far as possible, to be able to find their way without assistance. With this in view bronze signs have been placed throughout the Library, which indicate the general grouping of the books. Two charts or floor plans of the Library have also been provided, and are kept on the card catalogue cases. These floor plans are filled in with the class numbers and titles corresponding to the above-mentioned signs. By these aids any main classification can be quickly located. Under the main classifications the subdivisions are indicated by the shelf guides. From one shelf guide to the next, the books run alphabetically by authors, except in the case of biographies, where they run alphabetically by biographees.

The demand for novels and other books of ephemeral character will continue to be supplied through subscription libraries. The regular deliveries are made on alternate Mondays. Single volumes can usually be obtained from the New York Society Library within a few hours. Orders for books should be left with the Assistant Librarian.

The current issues of the catalogues of American and foreign booksellers and publishers are kept on file.

Members using the Library for investigation and study have the privilege of drawing on the resources of the Columbia University Library (420,000 vols.) and the collections of many university and other libraries. Requests for books under the above arrangement must be made through the Librarian of the Club.

Lock boxes in the Writing Room, built for the accommodation of private papers, manuscripts, and books, are rented to members at the rate of 25 cents a month. Private shelves are reserved in the West Room for the same uses.

The Club is desirous of obtaining copies of the Club Annual for 1865, 1867, and 1884-85, to complete its duplicate files. Any member possessing the Annual for one or more of these years would confer a favor on the Committee by donating the same to the Library.

The volumes presented by Club members are as follows:

Charles Beatty Alexander, 1	Rudolph Neeser, 2
